NEW PRESCHOOL IMMUNIZATION REQUIREMENTS
Amendments to N.J.A.C. 8:57-4 --- effective September 1, 2008

Dear Parents/Guardians:

The State of New Jersey has recently adopted the following immunizations to be mandated for preschool, as listed below. Forward all questions to your school nurse.

Pneumococcal conjugate vaccine (PCV)

Every child 12 months through 59 months of age and enrolled in a preschool program on or after September 1, 2008 are required to receive at least one dose of PCV on or after their first birthday.

Influenza vaccine

Every child 6 months through 59 months of age and enrolled in a preschool program on or after September 1, 2008, are required to receive at least one dose of influenza vaccine between September 1 and December 31 of each year.

Documentation of the Pneumococcal conjugate vaccine is due by September 1, ____.
Documentation of the Influenza vaccine is due by January 1, ____. Students who do not comply with the above requirements may be excluded from school.
