## OLD BRIDGE BOARD OF EDUCATION

PUPILS  
5450/Page 1 of 1  
ATHLETIC AWARDS

The Board of Education believes that interscholastic sports are an integral part of the school program. Sports are tools by which school becomes relevant to many students either through direct participation or school identification.

The Board authorizes the Superintendent to prepare regulations for the selection of those entitled to awards and the type of awards to be offered.

Adopted: 21 March 2000

Revised: 27 June 2000
