PUPIL FUND RAISING

The Board acknowledges that the solicitation of funds from students must be limited since compulsory attendance laws make the student a captive donor and since such solicitation may disrupt the program of the schools.

For purposes of this policy “student fund raising” shall include the solicitation and collection of money by students for any purpose and shall include the collection of money in exchange for tickets, papers or any other goods or services.

1. The Board prohibits the collection of money in school or on school property or at any school sponsored event by a student for personal or commercial benefit.
2. Fund raising by approved school organizations in school or off school grounds may be permitted by the building principal.
3. Fund raising by students on behalf of organizations outside the schools may be permitted on school grounds and off school grounds by the principal.
