SUPPORT ORGANIZATIONS

Parent-Teachers Associations and Booster Clubs are considered an important element of the schools of this District, and are operated to bring into close association the home and the school. While there should be a close liaison between these groups, there should be no attempt by school personnel to dominate them.

It is the responsibility of the principal of each individual school to:

1. Encourage and cooperate with the Parent-Teachers Associations and Booster Clubs organized in his/her school;
2. Assist these Associations or clubs to secure and use, free of rental charges, school buildings for their meetings in accordance with District regulations governing such use.
