Dear Parents, Guardians, and Friends,

Our annual **Career Day** will be taking place on **Tuesday, April 21st, 2020**. We are looking for as many parents, relatives, and friends to come in and participate. For this event to be successful, participation is crucial. Friends and family will be asked to enlighten our students on the variety of professions available to them in the future. Possible areas of discussion to be considered are: educational requirements, personal qualifications, job description, working conditions, salary advantages and disadvantages, traveling involved, and opportunities for advancement in the future. We would be most appreciative if you could join us to provide information about your career. **If you will be able to participate in this extremely valuable day, please complete the online form using the link below.** We look forward to and appreciate your assistance in making this day a great success.

Sincerely,

Robert Bennetti  
RBennetti@obps.org

Amy Quinn  
AQuinn@obps.org

Stacey Swider  
SSwider@obps.org

If you are able to present at Career Day, complete the form at [tinyurl.com/JSMSCareerDay](http://tinyurl.com/JSMSCareerDay)

*YOU MAY BRING A LAPTOP FOR A POWERPOINT PRESENTATION, BUT PLEASE NOTE PROJECTORS CAN NOT BE PROVIDED.* Groups are small enough so that all students can effectively view laptop screens. We can set you up near an outlet if needed.
