

Data Privacy Initiative

We believe it is essential for our students to efficiently and effectively access digital tools that empower them in all phases of the learning process, including research, critical thinking, creativity, problem solving, content creation, communication, and collaboration. We treat data confidentiality and the privacy of student educational records very seriously.

Old Bridge Township Public Schools is committed to providing access to digital resources for both teacher and student use. We are also committed to protecting the privacy of all our stakeholders. To accomplish this, Old Bridge Township Public Schools has adopted policies and procedures, as well as created resources that explain the types of data that can be collected, how the data can be accessed, collected, stored, and, if appropriate, shared.
