PUPIL RIGHT OF PRIVACY

The Board of Education recognizes that a pupil's right of privacy may not be violated by unreasonable search and seizure and directs that no pupil be searched without reason or in an unreasonable manner.

Teaching staff members are charged with the responsibility of maintaining order and discipline in the schools and of safeguarding the safety and well-being of the pupils in their care. In the discharge of that responsibility, a teaching staff member may request the search of the person or property of a pupil as authorized by this policy, with or without the pupil's consent, whenever he or she has reasonable grounds to suspect that the search is required to discover evidence of a violation of law or of school rules. The extent of the search will be governed by the seriousness of the alleged infraction, the pupil's age, and the pupil's disciplinary history. Except in exigent circumstances, an intrusive search of a pupil's person or intimate personal belongings shall be conducted by a person of the pupil's gender.

The Board acknowledges the need for the in-school storage of pupils' possessions and shall provide storage places, including desks and lockers, for that purpose. Where locks are provided for such storage places, pupils may lock them against incursion by other pupils. In no storage place provided by the Board shall pupils have such an expectation of privacy as to prevent examination by a school official. Pupils shall be notified in writing at the beginning of each school year that inspections of their lockers, desks, and other storage facilities may be conducted. The school principal or designee are directed to conduct, without further notice, the regular inspection of such facilities provided to pupils for the storage of property.

Except as required by exigent circumstances, a request for the search of a pupil or a pupil's private possessions will be directed to the building principal or designee who shall, whenever feasible, first request the freely offered consent of the pupil to the inspection.
