The Strange Case of Dr. Jekyll and Mr. Hyde
Cultural Connection Research Assignment

Topics
2) The Public vs. Private Self.
3) Addiction
4) Dualism and the Duality of Man.

Directions
In a well developed response, discuss one of the topics from the list above as it relates to The Strange Case of Dr. Jekyll and Mr. Hyde. You are free to bring in any outside information you feel relevant to the topic as it relates to novella. Though this seems overwhelming, the most important thing about assignments like this is to focus on process. Don't get caught up worrying that you aren't writing, “what I'm looking for”. I want you to correctly speak about whatever topic you choose, but I also want to see you present a topic to me in such a way that shows understanding of the content in a clean and coherent package. Clean and concise writing will be essential for this assignment.

Tips
1) Break down what is being asked of you so that you are clear on what needs to be done.
2) Begin outlining what you want to write about so that you know where to focus your research efforts.
3) Do your research and identify what sources and what specific parts of your sources you want to use to support your analysis.
4) Tighten everything up, review your outline and begin writing.
5) Revise until you have something that doesn't stink.

Requirements
1) 4 – 5 pages not including a works cited page.
2) A works cited page and proper in text citations to support your writing.
3) MLA format.
