

Halloween Costume

Swap

Saturday, October 5

2-3pm: Early Bird for those with tickets who donated costumes

3-4pm: General Admission

Got an outgrown costume or one in good condition that you just aren't using? Trade it for one that's new to you!

Drop off your gently used costume(s) at the Youth Services desk from now until the time of the event, and receive a ticket to pick out a different one on the day of the swap. If you don't have a costume to donate, you can still participate during General Admission.

The library is accepting costumes in all sizes— from infant to adult. Please note that the library can't guarantee fit or selection. You can drop off a costume even if you're not interested in choosing a new one.
