

Mission Statement

The Special Education PTA of Old Bridge (SEPTA) is a district-wide non-profit organization whose primary role is to provide support, strength, and unity to parents, teachers, faculty, administration, Old Bridge School PTAs and most importantly the children who receive special education services in Old Bridge School District.

Our goal is to ensure each and every child of all abilities receive the best possible program that allows him/her to reach their greatest potential. It is our devotion to provide the valuable link between home, school and community in all areas of special education through support groups, workshops, literature, newsletters, fundraising, events and monthly meetings. We strive to UNITE our teams by ensuring strong partnerships amongst parents and staff through positive and productive communication. The Special Education PTA of Old Bridge fundraises for our students, teachers and classrooms. We provide scholarships to graduating seniors, fund programs, raise money for equipment - with your support the possibilities are endless. SEPTA also funds teacher and staff workshops that pertain to the special needs of our district. SEPTA strives to constantly raise awareness to families, schools, peers and community!

*Together as a unified team we can look beyond abilities, focus on capabilities
and expand possibilities!*
