

WRITING ABOUT AN EARLY COMMUNITY

You are an archaeologist who has uncovered the remains shown below during a dig. What conclusions can you draw from these remains about the community you have discovered and the people who lived there? Use the questions below to write a report on your findings.

1. What kind of technology did the people use?

2. What were their homes like?

3. What kinds of food did they eat? How did they get this food?

4. Did the group practice specialization? How can you tell?
