

General directions for the book report:

You must have a cover!

You must answer all questions. Answers such as “nobody is like me” or “I wouldn’t change a thing” will not be accepted.

When a question asks for details, make sure you give details!

Question 5 will be completed on the last page by filling in the “How do you do?” worksheet. For this worksheet, make sure your sentences for number two are descriptive (He was tall – not descriptive, He towered over everyone in his class – better).

When a question asks you to explain why...make sure you explain why!
